

Portable Table Divider

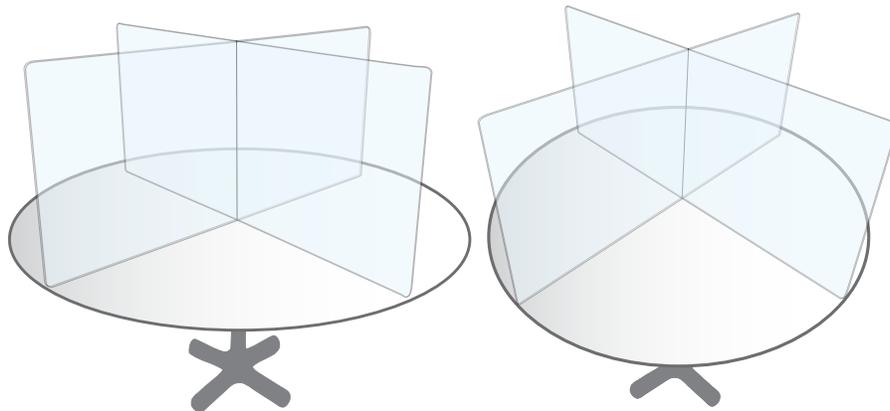

For Break Rooms, Cafeterias, & Commons

CALL (888) 768-5759 FOR BULK PRICING DISCOUNTS

Adding a portable table divider is a proactive way to further protect your employees and customers in break rooms, cafeterias, restaurants, commons, and other public areas.

Our portable table dividers ship flat and slide together for instant assembly with no hardware required. They can be used on any countertop, are easy to clean, and portable.

Interstate Plastics offers dividers for circular and rectangular tables in a variety of sizes. Discounts for bulk purchases are available, as well as custom sizes on request. Call us at (888) 768-5759 for more information and to place an order.

*Panels are modular to work for any table. Give us your dimensions and we will find **your** specific solution!*
